Opportunities*

The mission of Orangewood Foundation is to strive for equity for our youth by valuing and supporting the life they envision. Orangewood is an provider of youth services since 1981. The programs focus on four areas: basic needs, housing, life skills & employment, and education. Orangewood meets a broad array of needs: from groceries and a hot meal, to transitional housing, to life skills workshops and employment leads, and scholarships for college and graduate school.

Introducing Madrinas y Padrinos

A vibrant new auxiliary group at Orangewood Foundation inspired by the Hispanic tradition of godparents as trusted guides, mentors, and community pillars. In Hispanic culture, Madrinas and Padrinos provide lifelong support, encouragement, and celebration through life's major milestones. By bringing this powerful spirit of shared responsibility to the youth we serve, we are building a supportive community rooted in culture that empowers young people through meaningful mentorship, rich tradition, and a true sense of belonging.

Our Impact

“

There were plenty of times throughout my life I did not feel like I was enough and plenty of times I was told I wasn't. But I never gave up.

I kept pursuing for better, for more, for my son and myself. Today, I live in a new city with my family, and I take pride in sharing my story and advocating for youth who have experienced foster care.
